

The University of Akron and Urban STEM Center present...

CITY SHAPER FLL TOURNAMENT

TUNE-UP EVENT

Saturday, November 2, 2019

12:00pm - 3:00pm

Zook Hall, The University of Akron

The City Shaper FLL Tournament Tune-Up is for all teams, no matter what experience your team has. This event allows teams to practice what they have learned with tournament judges and referees. You can participate as much or as little as you like. It is a great opportunity to network with other teams. Even if you attend without a completed mission, by the end of the day your team will have one complete. The event is **free** for all teams.
